More About Padel

Padel is very *inclusive!* It's aimed at **everyone** - the whole family. Even if you've previously felt that racket sports were not for you, come and try us out. Padel is simply pure *fun!* It's the quickest and easiest racket sport to learn, you don't need to be great at other racket sports, and you might just be surprised how addicted you get!

Coventry and North Warwickshire Sports Club are excited to have the first Padel court in the city of Coventry and we want everyone to enjoy the buzz of the UK's fastest-growing sport. So come along with friends or family and try it out. Get some exercise, then afterwards socialise in our excellent clubhouse where a warm welcome awaits all, provided by our approachable club manager James, and his fabulous team.
